

Getter Setter Extension

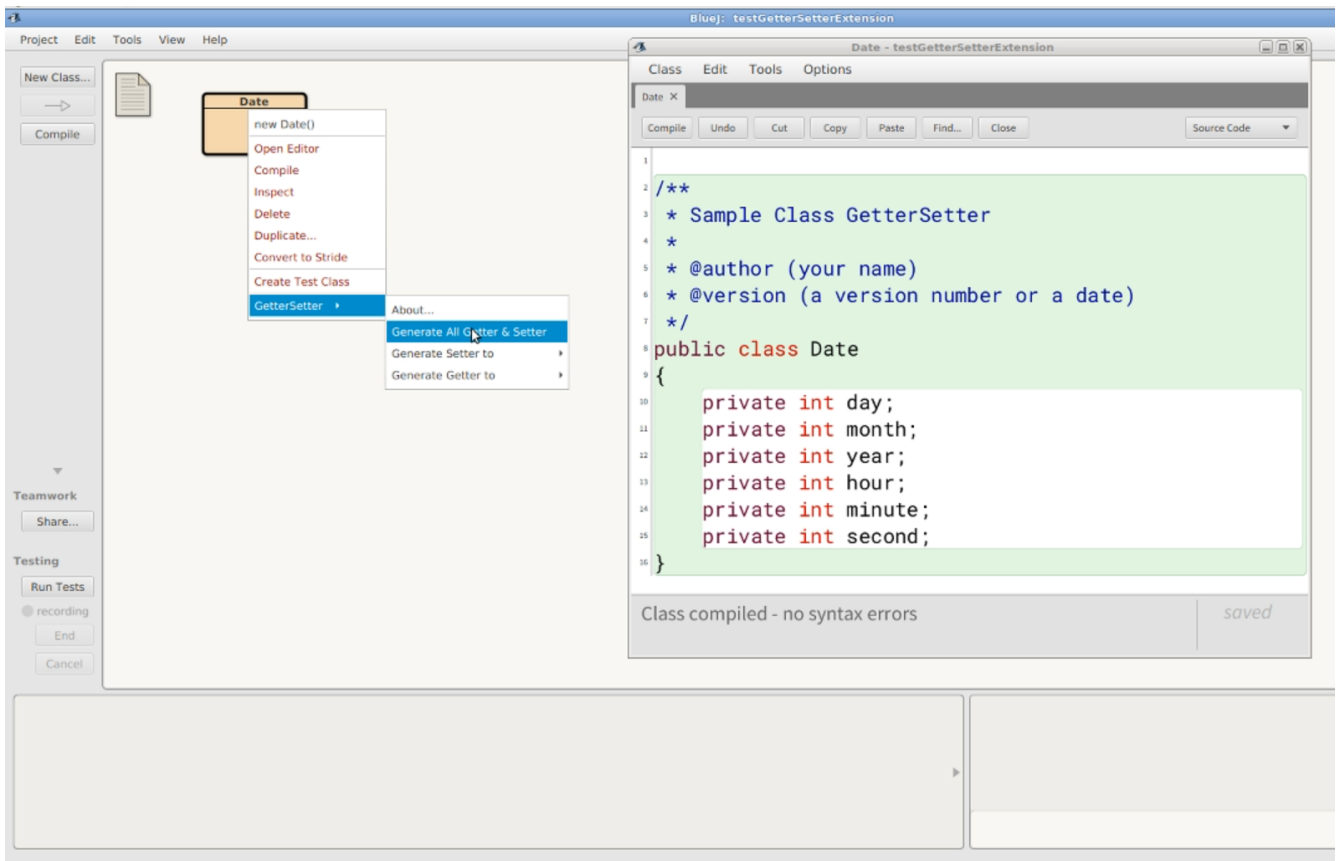

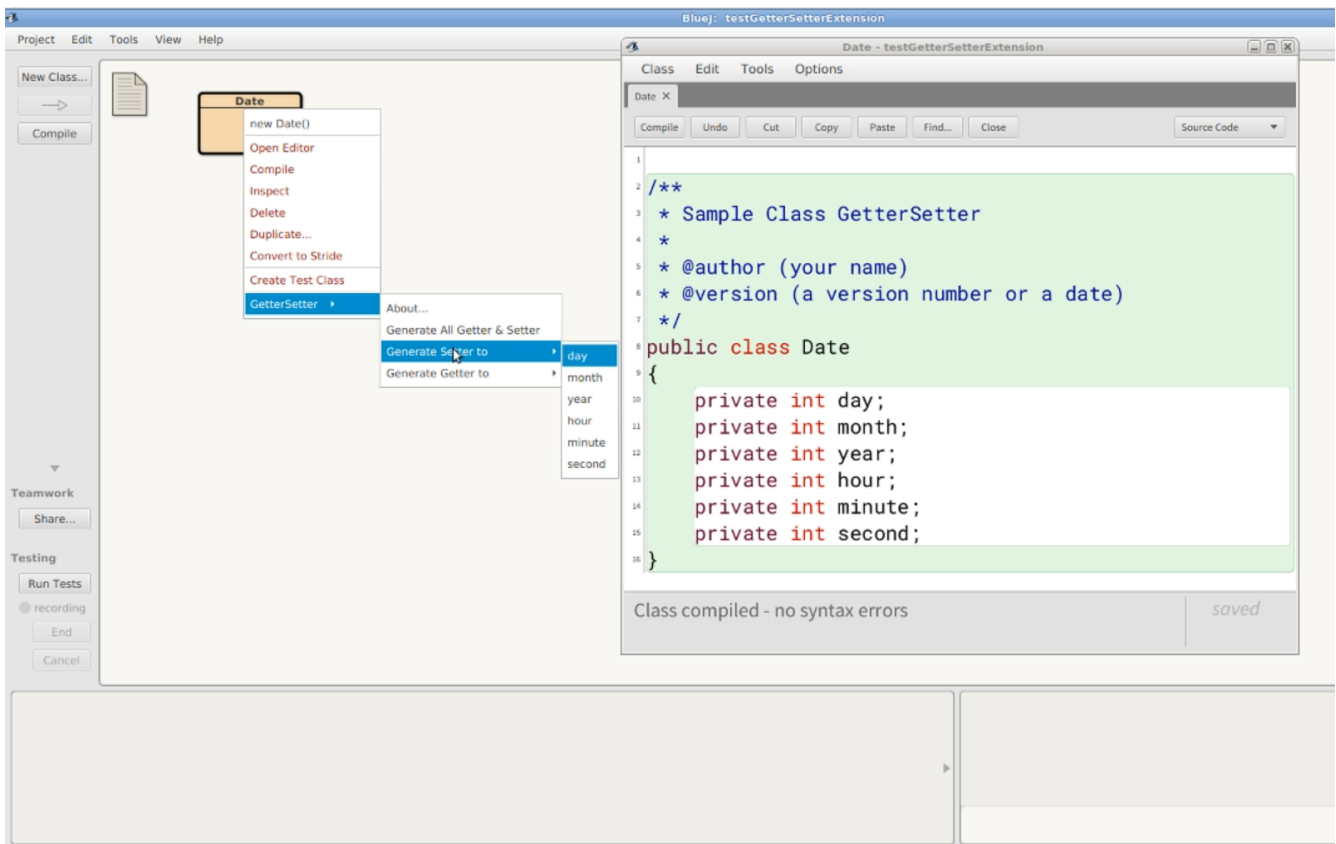

Milton Jesús Vera Contreras

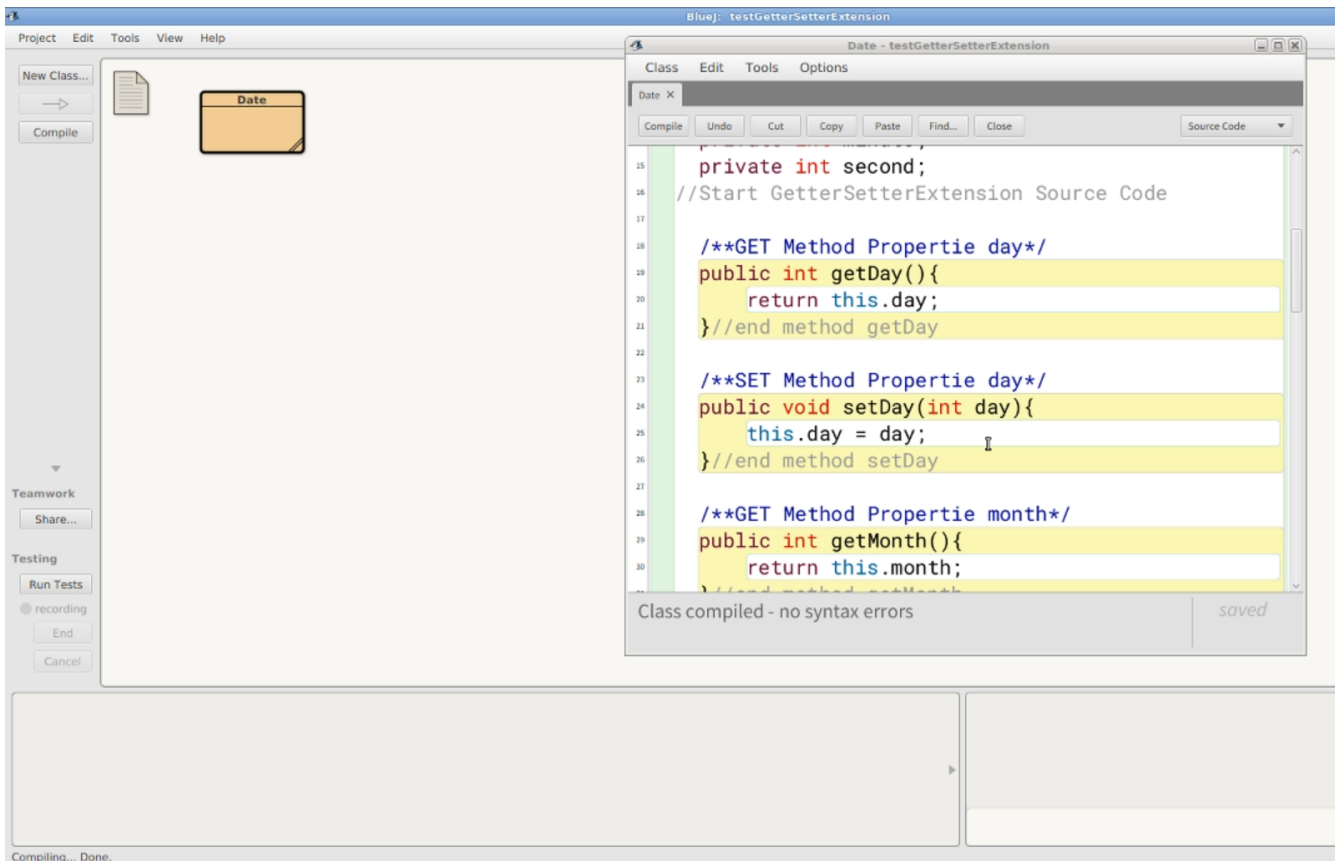

miltonjesusvc@ufps.edu.co | miljeveco@gmail.com

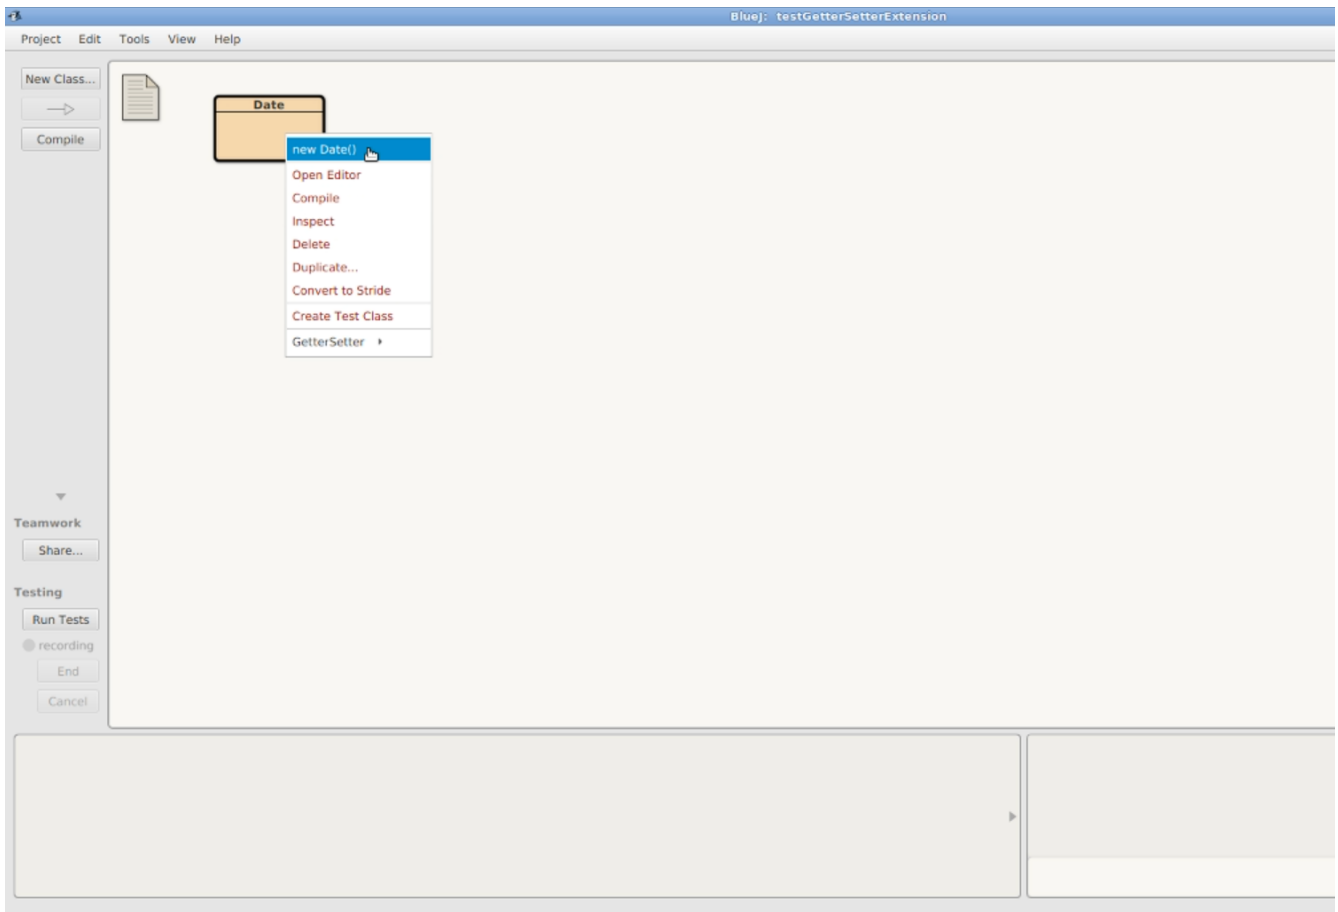

Getter Setter Extension help to:

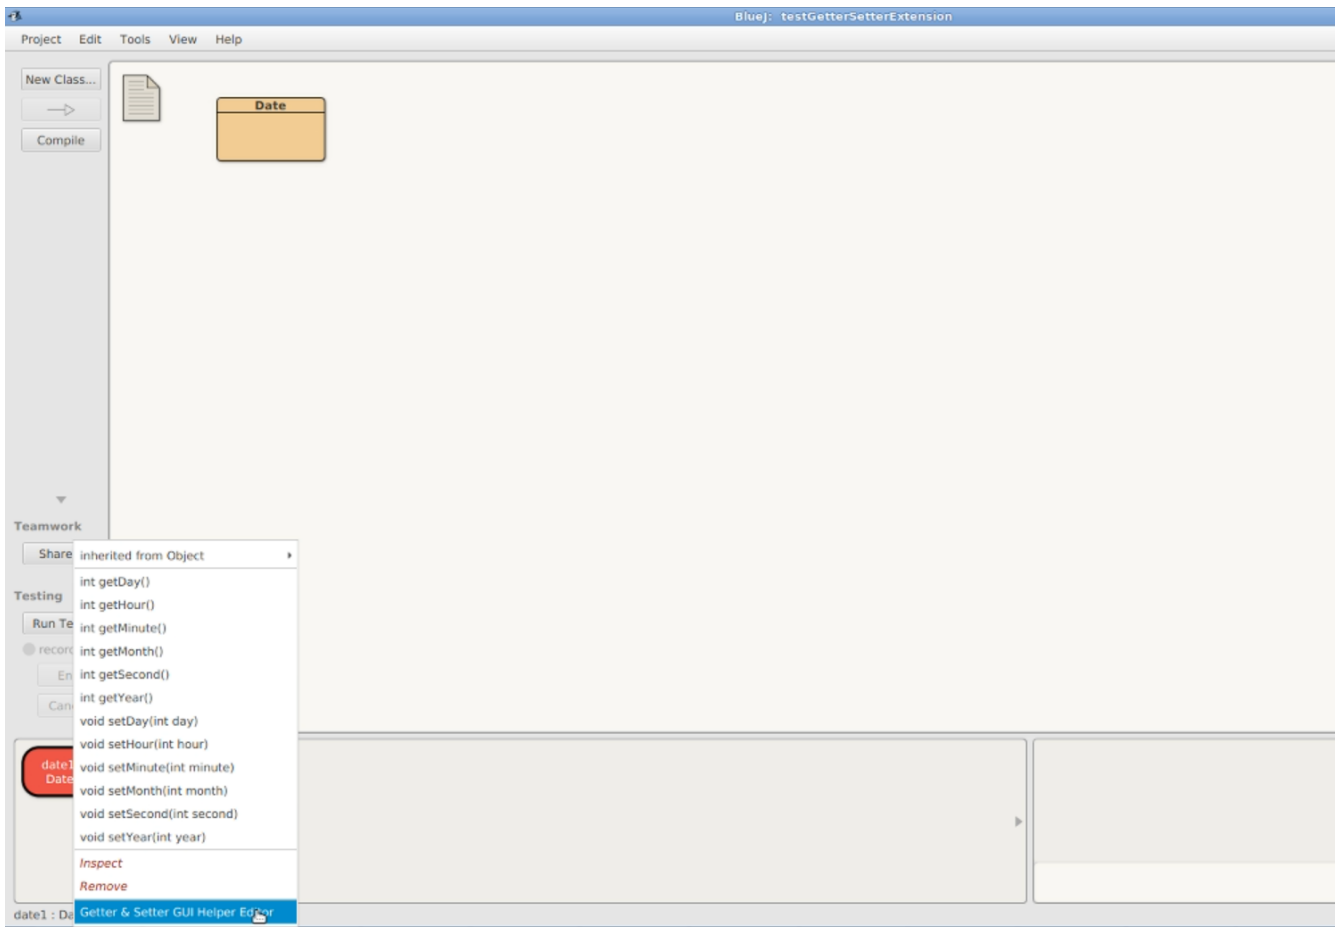

1. Generate source code of GET/SET methods of all class's properties.
2. Generate source code of GET method of one propertie.
3. Generate source code of SET method of one propertie.
4. Generate GUI JavaFX to view/edit object's properties with GET/SET methods.
